Congratulations on your new healthy lifestyle! I would love to have the opportunity to help you succeed in your new endeavor and make you look and feel the best whether it be a new sexy hair color or a stylish hair cut that can take years off you. You have worked so hard these past 8 weeks so now let me take you the rest of the way to show off all the work you have accomplished.

La Bella Hair Studio also offers permanent cosmetics for those who want to look more younger with sassy eyebrows or those who don't want their eyeliner running down their cheeks while they're working out to keep that sexy hard earned body!

Once again, Congratulations on your "new" you and all the hard work and dedication you have given to this 8 week course!

To schedule a consultation just call 507-635-2112 and lets choose a new hot look that is sophisticated, sexy and has a bit of attitude to kick!
