

Great job on empowering yourself to make a healthy lifestyle change! The hard work you've dedicated to yourself and the 8 Week Program has paid off. You can treat yourself or someone you care about with some beautiful high fashion Lia Sophia Jewelry. You can view the new Fall/Winter '11 catalog online at www.liasophia/jstemper. I'd be happy to help you select something perfect for you too. Feel free to call me at 507.421.6085.

As Clinton Kelly, fashion guru on TLC, will say, "We're the ones that chose whether we're going to be boring, blah or FABULOUS!

Congratulations to your FABULOUS self!
